Faith Matters-Register Now-The Catholic Parishes in Waterloo offer a variety of formation opportunities for children who do not attend Catholic schools, including our Summer Religious Education Program. The Summer program begins June 19 and meets weekday mornings for two weeks. For information and registration, contact the Faith Formation Office at 319-233-0498. Faith Matters -- formal religious education programs help children understand and appreciate what they are learning about their faith from your example and instruction. Plan now for your child's participation in our summer or school year religious education opportunities.

OUR SUMMER FORUM SERIES

This year's Summer Forum Series (formerly Summer at the Cellar) will examine the state of Catholic-Lutheran relations ... the fate of the common good in American politics ... the role of faith in Tolkien's 'Lord of the Rings' ... the challenges of being a middle class Christian ... and what it's like to grow up as a person of color in Waterloo. Watch the Weekly Bulletin for details and dates.

Men's Choir

It has been suggested, by a parishioner, that we develop a Men's Chorus to lead the singing at mass. I am happy to facilitate such a group, if there is interest. It was stated that some men might be willing to sing with a small group but not alone. This group of men would not take men away from existing groups or cantor's, but rather, enlist another musical group to lead us at mass. I envision a group of perhaps 6 or more men. If enough interest is shown, details of the group and their once a month, or so, schedule will follow. Please call Deacon John Herman, 233-7852.
