This movie was made in Medjugorje, Bosnia-Herzegovina, where Blessed Virgin Mary first appeared on June 24, 1981, to six children of various ages. Millions of people from all over the world have been making pilgrimages to this small town. Some have experienced a conversion of one sort or another; some have been cured of ailments. Each person has their story to tell.

COME AND SEE WHAT IS GOING ON in Medjugorje. See it on the big screen in the theater. Six of Blessed Sacrament's Thursday evening prayer group have been to Medjugorje and have come back a different person. We encourage you to see the movie.
